The Loon's Nest Bed & Breakfast is located in the quaint waterfront Village of Rockport in the Heart of the 1000 Islands on the St. Lawrence River. We are centrally located between Kingston and Brockville and only minutes from the 1000 Islands International Bridge to the USA. Ottawa, Canada's national capital is only 1-1/2 hours away . . . a short day trip!

Our rates vary depending on the season and on the particular room that you might choose when you spend some relaxing time with us. They range from \$119 to \$149 per night and include a sumptuous continental breakfast which can be enjoyed on our patio deck overlooking the Islands and the St. Lawrence River (weather permitting).

Want to venture out among the Islands and perhaps see the world famous Boldt Castle, Millionaires Row or the shortest International Bridge in the World? A journey back in time to the romantic and opulent lifestyle of the early 1900's? Within walking distance are cruise lines that can get you onto the water and into a magical world of enjoyment.

Interested in exercise and communing with nature then within minutes you can be on the 1000 Islands Parkway Bicycle Path, a paved lane separate from the Parkway and stretching for some 50 kilometres.

Sound like an invitation to "getaway" from the real world? Well then email us today and reserve !

Have a great day and we look forward to extending soon a warm 1000 Islands Welcome.
